

A man wakes up on his way
tropical jungle. He soon remembers
what happened and rushes to the beach
where he finds the remains of his plane and
survivors rescuing others. He rescues others
and reveals he is a Doctor commanding others
to help as the plane explodes around
him. They narrowly escape and

The Hebrew word for "holiness,"
"kedushah" ([Hebrew](#): קדושה) has the connotation of
"**separateness**." *That which is holy in Judaism is
set apart, and the separation is maintained by both
legal and spiritual measures.*
